The sinks used by the better class of poople at their residences, where all refuse of the premises is thrown, have been used by them for years, and the whole earth has become thoroughly saturated. IF YOU WOULD BE A MAN AMONG MEN

With Strong Nerves, Clear Brain and Vigorous Physical Strength, call upon him at his room, 110 Hutchins House, and test his wonderful Belt. See his numerous testimonials, and what he has done for other Houston men.

What has been done can be done. It is wrong to assert that strength once lost cannot be restored. It has been done. Dr. Sanden's Belt has restored the vigor of manhood to many thousands of men who had almost given up hope. It has been done and it can be done. It is being done every day.

There is something in a system of treatment which shows such returns as this:

" At the time that I procured your Belt I was suffering with a very lame back and a severe pain in my left foot; after wearing the Belt a week or ten days both troubles disappeared and I have not felt them since. Everybody compliment them since. Everybody compliments me on my improved condition. I will gladly answer any question in regard to the great merit of your Beit. J. E.
